

LAN

L&L Studio

With a plain look, LAN sofa still stands out. The plump cushions spread as a water surface to support users gently. The steel-wood base is cut into 45 degree to make a slim and modern look. As the focus in a living room, its simple and dynamic outline imitates a smooth mountain.

STRUCTURE

Structure in solid wood and plywood, feet in metal

SEAT CUSHION

Seat cushion in high density foam polyurethane, dacron and feather

CUSHIONS

Polyester padding and goose down with cotton pre-covering, removable covering in fabric or leather
